Details that command attention.

The all-new Hyundai VENUE N Line wears its attitude on the outside. Every element is crafted to turn motion into a statement, from the LED turn signal with sequential function that announce your every move with flair, to the bold N Line grille, skid plate and wing type spoiler that add a distinct edge. R17 (D=436.6 mm) diamond cut alloys with N emblem and red calipers showcase performance even at a standstill. The red accents on the roof rails underline its N Line identity. Every curve every cut speaks the language of pure sportiness.
